Narrative

Details

On 10/12/18, I was on-duty, in full police uniform and partnered with Officer Swenson. About 2311 hours, SCPD Officers were dispatched to 4500 Carlyle Ct, #1512, Santa Clara, for a report of a domestic disturbance heard in the residence. When we arrived on scene we could hear a male and female arguing inside unit #1512. We knocked on the door and announced ourselves as "Police". A male later identified as, (O) Reuben Foster, answered.

Foster said everything was okay and he did not want the police to enter his residence. Foster stood outside the door and called to someone inside the residence. A short time later, a female later identified as, Elissa Ennis, came to the door and stepped outside. Ennis was crying and initially stated that she was "not okay". Ennis walked inside the residence for a moment and then walked back outside.

Ennis stated Foster was her boyfriend and nothing happened. I did not notice any visible injuries to Ennis. Throughout our contact with Ennis she was reluctant to provide any information regarding the incident with Foster. She later provided a brief statement to Officer Diller. Refer to his report for further details.

While I was speaking with Ennis, Officer Swenson had detained Foster and placed him in the back of Officer Diller's patrol vehicle. I contacted Foster who did not want to provide a statement. I did not notice any visible injuries to Foster. I took photos of Foster's hands, face, and overall person to document his lack of injuries. He was later released without further incident.
